SURPLUS REGALIA

In accordance with a resolution passed by the Lodge Committee, all Past Masters are required to consider, once they have been elevated to Provincial Rank, the idea of handing back surplus regalia, especially Breast Jewels and Past Masters Collars and Jewels which when refurbished can be passed on to successive qualified Past Masters, as a means of controlling costs to the Lodge. Often such items, once a Brother has attained Provincial Rank, never see the light of day again! Better that Jewels and Collar Jewels be worn by the younger qualified Brethren who would feel honoured to wear such revered artefacts
